

Dear Friend,

North Port Youth Soccer (NPYS) is gearing up for another exciting fall season in 2008! We are anticipating a record enrollment this year as we approach 1,000 players from both our recreational and competitive programs. With these great expectations comes the desire to find sponsors from our growing community to help keep registration costs to a minimum.

Your sponsorship helps to support NPYS and the youth of our community. The funds that we raise help with the purchasing of equipment, providing scholarships for players and assisting with our club's expenses. There will be many new purchases that will have to be made in order to support the growth of our club. Soccer is one of the fastest growing sports in the United States. The sheer number of children in our club signals the appeal that soccer brings to the community.

Locally, NPYS has both recreational and competitive programs. Please show your support by selecting one of the sponsor packages listed on the sponsor form. We understand that the current economy has put limitations on our local businesses, so therefore NPYS is offering five different sponsor packages to provide you with flexibility in selecting a sponsor package that fits your business needs while supporting NPYS.

North Port Youth Soccer is a 501© (3) non-profit organization affiliated with the Florida Youth Soccer Association. Your contribution is tax deductible.

North Port Youth Soccer thanks you for your support and all donations are welcomed and appreciated.

Sincerely,

Brian Doerner

Director of Community Relations
